NOTICE OF HEARING ON PROPOSED ADMINISTRATIVE REGULATIONS

A public hearing will be conducted at 10:30 a.m./ Wednesday, August 30, in Room 108 of the Landon State Office Building, 900 S.W. Jackson, Topeka, to consider the adoption of proposed permanent rules and regulations of the Department of Administration, Division of Personnel Services. These regulations are necessary in order to implement the provisions of House Bill 2553, passed by the 1989 Legislature and signed by the Governor.

K.A.R. 1-2-1 (revoked) is a definition that is no longer necessary. Technical changes relating to conversion to the new pay plan for employees returning to state service are proposed for K.A.R. 1-5-9, K.A.R. 1-5-10 and K.A.R. 1-5-11. Amendments to K.A.R. 1-5-19b and K.A.R. 1-5-19c are technical changes necessary under H.B. 2553 relating to the increased number of steps on the civil service pay plan, changes in the names of the steps, and changes in time on step requirements for movement between steps. K.A.R. 1-7-10 is amended to recognize the role of performance evaluations in determining longevity payment amounts, and amendments to K.A.R. 1-5-24 address the method for calculating the effect of longevity payments on overtime pay. One proposed new regulation, K.A.R. 1-5-29, outlines the criteria for calculating longevity

This 30-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments prior to the hearing to the Secretary of Administration, Room 263-E, State Capitol, Topeka 66612. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

No economic impact on state agencies is anticipated beyond the funding provided under H.B. 2553, except with respect to minimal costs in additional overtime pay. State agencies may experience an indirect economic impact in assigning staff and resources necessary to determine applicable length of service under K.A.R. 1-5-29. There will be no economic impact on the general public.

Copies of the regulations and the economic impact statement may be obtained from the Division of Personnel Services, 9th Floor, Landon State Office Building, 900 S.W. Jackson, Topeka 66612, (913) 296-4278 (KANS-A-N 561-4278.)

ATTORNEY GENERAL

Opinion No. 89-90

Constitution of the State of Kansas-Legislative-Subject and Title of Bills; 1989 House Bill No. 2454.

Oil and Gas-Oil and Gas Wells; Regulatory Provisions, Miscellaneous Regulatory Provisions-Transportation of Gas; Pressure; Constitutionality of 1989 House Bill No. 2454. Representative Vernon L. Williams, 91st District, Wichita, July 18, 1989.

1989 House Bill No. 2454, pertaining to maintenance of natural gas pipelines and establishment of the Citizen Utility Ratepayer Board (CURB), does not violate Art. 2. § 16 of the Kansas Constitution which prohibits a bill from containing more than one subject. Though arguably tenuous, we believe the sections addressing gas pipeline maintenance are germane to those creating a board concerned with the cost of utilities in that both are encompassed under the subject and title "relating to public utilities." As such, since the question of how the bill evolved is not relevant to the bill's constitutionality, we believe the connection sufficient to cause the courts to uphold the legislation as constitutional.
